## <Annex>

- **UNIST-IBS Neuroscience Inter-Institutional Scholarship Application Guideline**
  - Overview: UNIST-IBS Neuroscience Inter-Institutional Scholarship application guideline jointly operated by UNIST Department of Biomedical Engineering and Institute of Basic Science Center for Cognition and Sociality
  - Objective: To promote inter-disciplinary neuroscience research and cultivate global top-notch researchers by establishing an inter-institutional education model between university and research institute
  - Education and Research
    - Degrees: Biomedical Engineering Master's or Ph.D.
    - Curriculum: students take neuroscience-specialized courses in the UNIST Biomedical Engineering Graduate School Program
    - Credit Exchange: students can take courses in the neuroscience area at UST(University of Science and Technology) and earn credits
    - Research: Students should conduct inter-disciplinary research at both the UNIST and IBS laboratories and stay at each institute depending on research purposes as well as live in dormitories of each institute
    - Students must stay and work at both IBS and UNIST for certain periods of time
  - Scholarship
    - UNIST-IBS Neuroscience Inter-Institutional program is included in 'UNIST Scholarship' among the category of scholarships
      - ※ (M.S) 17,280,000 KRW or above annually (Ph.D) 20,880,000 KRW or above annually
      - ※ The scholarship seen above is covered the whole tuition fee and stipend ([M.S] More than KRW 800,000/month [Ph.D] More than KRW 1,100,000/month).
    - Each institute monthly pays stipend to students based on the share

portion of institutes, and ceases the payment if students take time off or drop out of school

- Payment is continued until the maximum period of each degree

o Application Procedure

- Application Procedure: UNIST Biomedical Engineering Graduate School Neuroscience Inter-Institutional Scholarship
- Degrees: Master's, Ph.D., Combined Master's and Ph.D
- Capacity: within the capacity of UNIST Biomedical Engineering UNIST Scholarship in each year
- Application process: application to 'UNIST-IBS Neuroscience Inter-Institutional Scholarship' within the category of the Department of Biomedical Engineering UNIST Scholarship according to UNIST Graduate School Admission Guideline
- Admission process will follow the UNIST Graduate Students admission process
