2. Orientation

☞ 2025 Fall semester Orientation will be held offline by the International Affairs Team upon international student's entry to Korea. Please wait for an email to be sent in early~mid-August for further information. (Estimated orientation date: 28th August, and a survey for collecting the entry information of each student will be sent via email.)

3. Medical Check-up *Very Important*

- ☞ Medical check-up in your home country is COMPULSORY.
- ☞ Please ask your medical service provider to fill out the 'UNIST Medical Check-Up Form' in your home country and submit it as follows:

① **Submit the scanned form 10 days before you come to Korea via email.**

E-Mail: hyunjoo@unist.ac.kr

② Submit the original documents at the offline orientation after you arrive at UNIST.

**** According to the Infectious Disease Prevention and Control, it is mandatory to receive 2nd shot of the measles vaccination.***

4. Health Insurance

- ☞ International students will be automatically and mandatorily enrolled in the National Health Insurance (NHI) in Korea once they apply for an Alien Registration Card (ARC) at the Ulsan Immigration Office after arriving in Korea. As NHI registration begins only after applying for the ARC, and insurance fees must be paid monthly, there will be a period without coverage immediately after your arrival. Since obtaining the ARC is a time-consuming process (usually taking about 30-45 days), we strongly recommend that you purchase personal insurance (e.g., travel insurance) from your home country to cover the first 45 days in Korea, until your NHI coverage becomes effective.

※ UNIST International Affairs Team will inform of the details of insurance subscription at the orientation.
